

The Leading Supplier of Wide-format Digital Imaging Solutions, Printers & Copiers
Established 1961

FDC's "O.S.A." Alternative to Buying or Leasing!

FDC Corporation On-Site Agreement Benefits

FDC's **On-Site Agreement (O.S.A.)** is a Facilities Management program designed to meet your in-house Wide-format printing and/or copying needs. FDC's **O.S.A.** plans are all-inclusive customized solutions based on YOUR reprographic needs. FDC provides you with the equipment that best suits your needs. A single monthly invoice includes all bond paper, toner or ink, and all maintenance related costs. You simply pay for the prints you make.

FDC is an authorized dealer for Xerox, KIP and Hewlett Packard.

Whether you need a simple wide-format copier or inkjet printer for a short-term job or a production multi-function printer/plotter/scanner we have the right device for you.

- **Free of Capital Investments**

Equipment owned & maintained by FDC. No long term contract.
Tax advantages are possible (contact your tax advisor)

- **Dependable Service**

FDC prides themselves on outstanding—dependable service

- **Cost Guarantees**

Reproduction costs are accurately projected, budgeted and can be expensed or charged back to projects

- **Flexibility**

New capabilities or technology can be introduced as your needs change

- **Increased Production**

Turn your jobs over quicker with print-on-demand capabilities

- **Reduced Administration Costs**

One single monthly invoice. Includes all bond paper, toner/ink and maintenance

- **Streamlined Printing**

Produce your prints when you need them

- **Track Printing Costs**

Print tracking software can be added for tracking or recovering printing costs

Call or visit our website today to have a FDC Sales Representative analyze your needs to see if our **O.S.A.** program is right for you.
